MEET OUR PRESIDENT,

NAPHTALI HOFF, PSYD

Naphtali Hoff, PsyD, is an accomplished coach and school consultant with nearly two decades experience as a teacher, administrator, and adjunct professor. He provides coaching, consulting, and professional development services to school leaders, teachers, and lay leaders. He is also a sought-after lecturer who has addressed adult and student audiences on a wide range of educational and leadership-related topics.

Naphtali completed his doctorate in human and organizational psychology, which analyzes successful individual or organizational change and development. He also holds two M.Eds and is the proud author of "Becoming the New Boss," a leadership book that helps new leaders hit the ground running and enjoy sustained success.

He is happily married to Karyn and is the proud father of 6 incredible children who inspire him daily with their energy, curiosity, and creativity.

When he's not coaching, Naphtali enjoys studying, writing, working out, making soup, and gardening.

“

Most school leaders struggle to manage their workloads and get home at a decent hour. I help them delegate and be more productive so they can scale their impact with less stress.

”

Naphtali Hoff

OUR SERVICES

Our educational services offer measurable benefits for school leaders, teachers, students, and parents. For more, visit ImpactfulCoaching.com/Education.

FOR SCHOOL LEADERS

School leaders are overworked and overwhelmed. Impactful helps them focus on the work that will most move the academic needle for their students and build a healthy, low-stress work environment.

SCHOOL LEADERSHIP MASTERMIND (SLM)

The SLM is a virtual leadership training program that brings together school leaders to network, problem solve, and engage in best-practice learning. Learn more at ImpactfulCoaching.com/SLM.

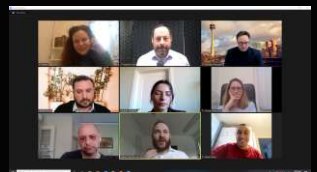

“ Participating in the SLM gave me the opportunity to engage with and receive input and feedback from a diverse group of professional educators... Naphtali structures and leads the group toward introspection and then combines that with collaboration to push you to be a better leader. It was well worth both the time and the financial investment! ”

Melinda W. Domain, Ferris, TX

LEADERSHIP TRAINING AND COACHING

Leadership training and 1:1 coaching help school principals become stronger leaders.

“ With his clear, intuitive, and analytical approach, Naphtali Hoff coached and empowered me to achieve my desired goals. ”

Perel Nitzlich, Montreal, QC

PRODUCTIVITY COACHING GROUPS

Leverage the power of productivity group coaching to get more of the right work done, delegate the rest, and get home at a decent hour to be with family and friends.

“ I feel much more confident in my ability to recognize what work I need to delegate and how to do so effectively. ”

Julia Horwath, San Antonio, TX.

FOR TEACHERS

PROFESSIONAL DEVELOPMENT

To be effective, professional development trainings must be engaging and actionable, empowering teachers to immediately incorporate the skills learned into their practice.

POPULAR TOPICS:

- growth mindset
- learning objectives
- active participation
- formative assessment
- differentiated instruction
- memory and retention

“ Our staff found your presentation engaging, informative, and practical. You presented current strategies which were seamlessly modeled in the presentation. Your extensive skill-set makes you a go-to professional for staff development. ”

Sorah Milworm, Brooklyn, NY

INSTRUCTIONAL COACHING

Coaching helps educators perform at their highest levels. The customized process involves classroom observation, pre- and post-observation consultations, modeling, and more.

“ Naphtali Hoff provides excellent service through his personal coaching and staff development... He is a fantastic asset to both teachers and administrators that seek to grow in their professional practice. ”

Levi Solomon, Los Angeles, CA

FOR STUDENTS AND PARENTS

Impactful's talks and trainings inspire parents and students to be more and achieve more!

SAMPLE TOPICS (STUDENTS:)

- Tips to get the most out of school
- How to think big and do bigger (growth mindset)

“ I want to commend you for the outstanding presentation you made to our students. You managed to raise their thinking, engage and captivate them. ”

Tamar Friedman, Skokie, IL

SAMPLE TOPICS (PARENTS:)

- How to be authoritative without being authoritarian
- How to raise happy, connected children

OTHER SERVICES

CURRICULUM DEVELOPMENT AND PROGRAMMING

Schools reach out to us to help them craft actionable, relevant curricula and coordinate programming in a wide range of areas, including:

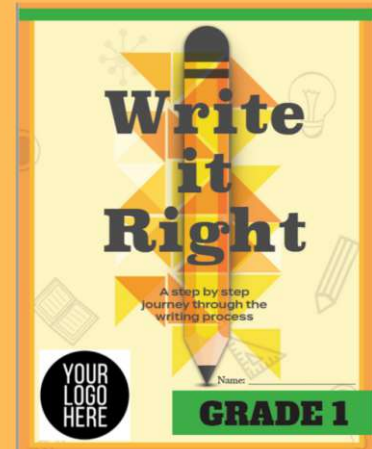

- Religious studies
- Creative writing
- State and Science Fairs

WRITING PROGRAM (WRITE IT RIGHT)

Write It Right is a progressive, skills-based program that is filled with approachable, engaging, exercises for elementary school students in all four core writing styles: descriptive, expository, narrative, and persuasive. For more about Write It Right, visit ImpactfulCoaching.com/Write-It-Right.

“ Write It Right has been a complete game changer for our school... Our students are writing more than ever, and we see significant progress in their skill development each year. ”
Yehuda Gartenhaus, Brooklyn, NY
